

Outline for a BA thesis in Education
The faculty of Education, Gasser Bin Gheshir
The English Language Department

The following presents the titles and subtitles that need to be covered in a BA level graduation project.

I. Introduction

- A. Background and context of the research
- B. Research question and aims
- C. Significance of the research
- D. Statement of problem

II. Literature Review

- A. Overview of the field of study
- B. Key theories and concepts relevant to the research
- C. Critical analysis of previous research in the area
- D. Identification of gaps in the literature *if there are any* using recently published work (as recent as the last six years)

III. Methodology

- A. Research design and approach
- B. Sample and sampling method
- C. Data collection methods and sources
- D. Data analysis techniques
- E. . Ethical considerations

IV. Results

- A. Presentation of findings
- B. Discussion of results in relation to research question and aims

V. Conclusion

- A. Summary of key findings and contributions/answering the research question
- B. Limitations of the study and areas for future research

VI. References

- A. List of sources cited in the thesis

VII. Appendices

- A. Any supplementary material that supports the main text of the thesis (e.g. interview transcripts, survey questionnaires, etc.)
